Admissions & Academic Policy Committee
Proposal

Proposed Change: Transfer registration schedule.

Submitted: For Review/First Reading – Oct. 8, 2012

Submitted by: Enrollment Management

Rationale: Transfer students often bring 60 or more credit hours from a previous institution into NKU. The current NKU registration process puts them at a disadvantage because both general education classes and required courses in their majors may be closed by that time. The closed classes may discourage potential transfers from enrolling or delay their graduation.

CURRENT POLICY: New students, post-baccalaureate, readmission, transfer, non-degree, consortium and visiting students may register after the last date of priority registration. (Cited in Registration Guide but not in NKU Undergraduate Catalog.)

PROPOSED POLICY: Transfer students who have no registration holds will be eligible to register during the priority registration period each semester. Registration start times for transfer students will be based on credit hours earned/transferred, as specified in the priority registration schedule.

Effective Date: Fall 2013.
