POLICY STATEMENT

1.0 Overview:

CURRENT POLICY: NKU students are allowed to enroll within a four-year window from their last enrollment without reapplying or updating personal information.

2.0 Scope: Policy applies to undergraduate students.

3.0 Policy: Confidentiality – N/A

4.0 Enforcement: - N/A

5.0 Policy Amendments: Change Undergraduate Readmission/Re-enrollment window from four to two years.

Rationale: In order to execute communication plans, assist students in staying on-track to graduate, and deploy important information, it is necessary to update our student’s contact information on a more regular basis.

PROPOSED POLICY: Effective Fall 2014 – An undergraduate student who has not been enrolled for two years at NKU must re-apply for admission. The student will be held to the admission and program requirements at the time of re-admission. The application fee will be waived. (This application fee waiver request will be submitted for consideration to the Budget Office and the Office of the Provost.)
